BERLIN ADMITS BOMBINGS

Night Attack Followed One Of
Heaviest Daylight Attacks
Of War Yesterday

LONDON, Aug. 13.—(UP)—Giant
British bombing planes attacked Ber-
lin heavily during the night and
hurled bombs at other targets all
over northern and western Germany
after the greatest Royal Air Force
daylight raids of the war yesterday.

It was Britain's turn in a rapidly
developing and apparently closely co-
ordinated bombing offensive against
the German capital.

Russian planes had raided Berlin
four nights out of five since late last
week. Last night, the sixth, a big
fleet of British bombers flew the 500-
odd miles from British bases over
German-occupied and German terri-
tory to give Berlin a taste of what
the Germans had visited on British,
Russian and other European cities.

(Berlin dispatches indicated that
the British night raid was one of the
greatest of the war. A communique
said western, central and northern
Germany were attacked.)

BERLIN, Aug. 13.—(UP)—Atten-
tion of Berliners, awaiting detailed
news of operations on the eastern
front, shifted sharply today to Brit-
ish Royal Air Force blows against
Germany and German occupied terri-
tory, especially Berlin, which expe-
rienced during the night its fifth raid
in six days.

The latest raid—as a communique
indirectly admitted—was the most
active of the recent series, with the
British taking over a new aerial of-
fensive from the Russians who made
the first four raids.

The communique was brief. It did
not mention damage but admitted
casualties. It gave no details of the
raids on western, central and north-
ern Germany.

In contrast with the first four
raids, anti-aircraft guns and search-
lights were most active and color
was added by the flares which the
British planes dropped.

CLOTHING AND ROOM IMPROVE-
MENTS PLACED ON DISPLAY
WEDNESDAY

The first of the Putnam County
Fair 4-H club exhibits went under the
"eyes" of the judges this morning in
Second Ward school building after
girls placed room improvements and
clothing on exhibit for the 1941 edi-
tion of 4-H work.

Under the supervision of Miss
Mary Lou Schott, county home de-
monstration agent, and Miss Wilma
Jean Chambers, Greencastle high
school vocational home economics in-
structor, the basement of the second
ward school building has been trans-
formed into a show room that now
houses one of the largest displays of
Putnam county 4-H achievements
that have ever been shown. The au-
ditorium of the school building is filled
with flowers and baking exhibits
which will be judged late this after-
noon and placed on display following
the tying of ribbons.

In the room improvement division
of the fair the following girls were
awarded the respective positions by
the judges:

CITY SCHOOL ENROLLMENT
LAST YEAR WAS
1,481 PUPILS

BOYS THAN GIRLS

Regarding Transportation And
Other Condition Are Listed
By School Head

Local and financial reports
of the GreenCastle Consolidated
School by Paul F. Boston, superin-
tendent of GreenCastle schools, for
closing July 31, 1941 con-
ditions which are interest-
ing to pupils, parents and residents.

Total enrollment in all grades
was 1,481. The largest grade
enrolled in a single grade
was grade four. The next large
grade was grade seven with 140.
An condition in this year's re-
port is the fact that there were
more boys enrolled than girls, 761
to 720. The history of school
enrollment has always shown a
decrease of girls over boys, due
to the fact that boys are more inclin-
ed to stay in school at the age of 16.
The average attendance of all
grades was 237.157.

Of the facts relating to the
transportation of pupils are of spe-
cial interest. There were a total of
148 buses which are completely
owned by the GreenCastle Consolida-
ted School. The shortest round-trip
per bus was 24 and the longest
round-trip route was 32 miles.

The total daily round-trip
of all buses was 198.
Total pupil-miles for the year
was 360, or approximately equiv-
alent to one child traveling 15 times
the world. The local schools are
exceedingly fortunate in this
respect, as the average of other
schools without a serious acci-
dent, there has never been an
accident up to the present time.
The complete transportation
operating, maintenance, and
capital outlay, was approxi-
mately \$114,000 per year. This is
one of the lowest transportation
costs in the state and probably
the soundness of the policy of
owning its own equipment
employing a supervisor.

In connection with the financial
reporting facts are: The total
operating expenses for the year
were \$114,000, which was for
operation and maintenance, and
\$39,511 represented debt ser-
vice capital outlay. The oper-
ating expenses are broken down
into the following: Personnel, \$40,000;
supplies, \$10,000; fuel, \$10,000;
repairs, \$10,000; and other, \$4,511.

The first session of the association
was opened at 1 o'clock Tuesday fore-
noon, with a song service, of which
Rev. C. W. Grepp was the leader.
Lester Storm, of the Bethel church,
gave the welcoming address, and the
response to the greetings was by the
moderator of the association, Rev.
Dallas Rissler, also of Putnam county.
The introductory sermon was by
the Rev. William McKeehan.

Letters were called for from eight
churches of the association: Bethel,
Amity, Amo, Bethesda, Big Walnut,
Clayton, Coatesville, Concord. These
letters gave reports on the work of
the respective churches.

Tuesday afternoon, the Rev. T. G.
McAllister took up the first topic
under the general theme of the meet-
ing. The general topic was "Assur-
ance of Christian Victory" and this
speaker talked on Topic No. 1,
"Through Prayer." The GreenCastle
Baptist church furnished music num-
bers for this meeting. The associa-
tion doctrinal sermon was preached
by Dr. W. R. Jewell. Mrs. Gladys
Trope presided at the women's hour.

Tuesday evening, Topic No. 2,
"Assurance of Christian Victory
Through Preaching," was the theme
of the sermon by the Rev. Zachery,
pastor of the Amity church. A men's
quartet sang. The Indiana Baptist
Home report was given, followed by
an address by Rev. Knight, of Shel-
byville, an evangelist.

Wednesday morning, the remaining
nine churches of the association pre-
sented letters. They are Corinth,
Emmence, Friendship, GreenCastle,
New Providence, New Winchester,
Plainfield, Stilesville, Union Valley.
The Rev. C. W. Grepp preached on
the third topic: "Through Witness-
ing." The Rev. Reuben Masten, of
Putnam county, led the praise and
testimony service. Special music was
given by Betty Pitts and Virginia
Craft of the Big Walnut church in
Putnam county. There was a report
from the association treasurer, a re-
port from the committee on resolu-
tions and an address by Dr. T. J.
Parsons.

HOUSE PASSES ARMY BILL BY 1 VOTE; BACK TO SENATE FOR CONCURRENCE

WASHINGTON, Aug. 13.—(UP)—Administration leaders hoped today that the Senate will accept the House version of army service extension legislation in order to speed it to President Roosevelt for signature.

The House passed by a 203 to 202 vote last night a resolution differing only slightly from legislation the Senate had approved earlier. The Senate, which does not meet again until Thursday, could complete congressional action by accepting the House resolution.

Otherwise, the legislation as passed by the Senate and House would have to be sent to conference to reconcile their differences. Leaders admitted that such a development would result in serious delay to the legislation.

Sen. Elbert D. Thomas, D., Utah, Senate manager of the legislation, announced that he would ask concurrence in House modifications, unless some major conflict between the two versions was disclosed by further study of the House resolution.

The Senate and House resolutions both provide for retention of draftees, national guardsmen, reserv-

ists and enlisted regulars for 18 months beyond their normal service.

They also include a declaration that the national interest is "imperiled" and provide for raises of \$10 per month for all classes of troops, except commissioned officers, after they have completed their first year of service. The existing limitation of 900,000 upon the number of draftees who may be in training at any one time is lifted.

The House vote on the legislation was the closest any major administration measure has experienced since the outbreak of the European conflict.

After the roll call was first announced, Speaker Sam Rayburn ordered a recapitulation. The recount showed the same tally, however, and while bi-partisan opponents roared their objections, Rayburn declared the measure approved.

Although the administration had anticipated a close vote, they were startled by the final outcome. They had been led to expect a wider margin when they mustered a 215 to 190 vote against a recommitment motion a

Baptists Close Two-Day Meeting

WHITE LICK ASSOCIATION MET
AT BETHEL CHURCH NEAR
FILLMORE

Its program this afternoon closed the two-day session of the White Lick Baptist Association, held in the Bethel Baptist church in Marion township, southeast of Fillmore. The White Lick Association includes Missionary Baptist churches in Putnam, Hendricks and Morgan counties.

There was a preliminary meeting of young peoples' organizations Monday evening, which was preceded by a pitch-in supper in the Bethel church basement, followed by a business meeting, with election of new officers and their installation. The speaker of the young peoples' evening program was introduced by Miss Minnie McCloud, associational president.

The first session of the association was opened at 1 o'clock Tuesday forenoon, with a song service, of which Rev. C. W. Grepp was the leader. Lester Storm, of the Bethel church, gave the welcoming address, and the response to the greetings was by the moderator of the association, Rev. Dallas Rissler, also of Putnam county. The introductory sermon was by the Rev. William McKeehan.

Letters were called for from eight churches of the association: Bethel, Amity, Amo, Bethesda, Big Walnut, Clayton, Coatesville, Concord. These letters gave reports on the work of the respective churches.

Tuesday evening, Topic No. 2, "Assurance of Christian Victory Through Preaching," was the theme of the sermon by the Rev. Zachery, pastor of the Amity church. A men's quartet sang. The Indiana Baptist Home report was given, followed by an address by Rev. Knight, of Shelbyville, an evangelist.

Wednesday morning, the remaining nine churches of the association presented letters. They are Corinth, Emmence, Friendship, GreenCastle, New Providence, New Winchester, Plainfield, Stilesville, Union Valley. The Rev. C. W. Grepp preached on the third topic: "Through Witnessing." The Rev. Reuben Masten, of Putnam county, led the praise and testimony service. Special music was given by Betty Pitts and Virginia Craft of the Big Walnut church in Putnam county. There was a report from the association treasurer, a report from the committee on resolutions and an address by Dr. T. J. Parsons.

Wednesday afternoon, the committee on time, place, officers and preachers for the next association meeting reported. There was a report of the committee on obituaries. Rev. Herbert Zachery preached on the fourth topic: "Through Giving." The missionary address was given; followed by special music by the Amo church and Dr. W. R. Seat closed the meeting with his address.

Decided Change In Temperature

MERCURY SLIDES TO LOW
MARK OF 54 DEGREES
EARLY TODAY

The drop in temperature from an even 100 degrees Monday afternoon to almost half of that—54 degrees, actually—at 5 o'clock this morning, was a strain on human constitutions, but most everybody seems to be standing up pretty well under the stress of the occasion. Human beings move more alertly than they did while the temperatures were so high, and the birds that sat listless on limbs with their beaks open, their tongues out and their wings and tails drooping, are now looking for worms and bugs with their former vivacity.

Last night, woolen blankets were brought out of storage in homes, and a couple of them, or even three, were not too much to keep the sleeping citizens warm during the night hours. Windows and doors were closed, and heads of households began to think of the impending need for fuel, winter clothing for the family, and other similar cheerful topics.

However, notwithstanding the cooler weather, rain is badly needed, to provide the necessary vitamins in bringing the corn out of its slump and bring the green color back to pastures.

CONGRESS TO GET NEW LEND-LEASE PROGRAM

WASHINGTON, Aug. 13.—(UP)—The administration's second lend-lease program, calling for appropriation of approximately \$6,000,000,000 will be submitted to Congress shortly after President Roosevelt returns to the capital, informed sources said today.

The new funds will be sought even though less than \$6,000,000,000 of the original \$7,000,000,000 lend-lease appropriation has been allocated to federal agencies which contract for war-aid supplies.

Officials said that a substantial amount of the new funds would be allocated to the purchase of food supplies. Warplanes, mostly heavy and medium, and ordnance, primarily ammunition and artillery, will require most of the remainder.

DEPAUW GRAD NAMED ON STATE C. OF C. STAFF

Kermit Arnold, a graduate of DePauw university in the class of 1937, and active since then in civic work, has been appointed to the staff of the Indiana State Chamber of Commerce research department, according to an announcement today by Clarence A. Jackson, executive vice president of that body.

Mr. Arnold is a member and district officer of Beta Theta Pi Fraternity, a trustee of both the DePauw Alumni Association and the DePauw Alumni Fund and a member of the Indianapolis Junior Chamber of Commerce. He also is active in the Civic Theater of Indianapolis.

CORPORATIONS PAY BIG PART OF CO. TAXES

BEAR MORE THAN ONE-
FOURTH OF TAXATION LOAD
IN PUTNAM

VARIOUS CONCERNS LISTED

Corporations Assessed On Valuations Totalling \$6,715,125; Tax Payments Due Next Year

Taxpayers of the county who are concerned about the amount of their taxes are inclined, at times, to overlook the important part the corporations have in bearing the load of local taxes. Considerably more than one-fourth of the taxes carried on the tax duplicates of the county will be paid by these incorporations in 1942. This is an assumption based upon the fact that the valuations of corporation property in the county as fixed by the State Board of Tax Commissioners is more than one-fourth of the property values of the county. This is revealed by the letter to Auditor Eddie H. Buis from the state tax board.

The corporations will be assessed this year, for taxes collectable next year, on \$6,715,125 valuations. The total valuations of the county, of all kinds, is \$22,312,297.

Other pipe line companies are assessed in the county.

The heaviest tax-paying corporation in the county next year will be the Michigan Gas Transportation corporation, which crosses north Putnam, getting into four townships and one town. Its property is listed as of the following value: Clinton township, \$162,660; Franklin, \$206,210; Jackson, \$198,200; Russell, \$36,030; Roachdale town, \$500. Total, \$603,600.

The Illinois Pipe Line Company has a valuation of \$7,890 in Clinton township, \$39,880 in Franklin and \$54,130 in Russell. Total, \$101,900.

The Universal Gas Company will pay taxes on \$15,230 in Cloverdale township, \$5,690 in Warren, \$2,520 in GreenCastle township and \$720 in Cloverdale town.

The Shell company, on its pipe line, will pay taxes on \$30,570 in Clinton, \$22,590 in Floyd, \$12,170 in Jackson, \$5,970 in Madison and \$33,610 in Monroe. Total, \$104,910.

The Socony-Vacuum Oil Company has an assessment on its holdings in Putnam county to a total of \$94,170. It is placed as follows: Floyd township, \$7,060; GreenCastle township, \$16,900; Madison township, \$760; Marion township, \$25,560; Warren township, \$14,620; Washington township, \$29,270.

Railroads, once among the heaviest tax-payers in the county, are now in a secondary or even lower position in that respect.

The public utilities are heavily valued for taxing purposes. The Public Service Company of Indiana is given a taxing value of \$262,920 in the county with \$58,870 of that located in GreenCastle city; the Northern Indiana Power Company is assessed in 17 townships and towns of the county to a total of \$343,910 of which \$141,190 is in GreenCastle; the Mooresville Public Service Company property in the county is valued at \$24,500; the Indiana Gas Distributing corporation has only \$320 in its Putnam holdings.

Nineteen telephone companies are assessed in Putnam. These range in value from small, local companies to the largest corporations.

Other corporations assessed are the Pullman Sleeping car company, the Postal Telegraph Cable company. The rural electric companies, of which there are two operating in the county are among the newer corporations placed on the tax duplicates. The Hendricks County REMC has property values in Cloverdale, Floyd, Jackson, Jefferson, Marion and GreenCastle townships to a total

LIVESTOCK JUDGING TEAM WILL COMPETE AGAINST INDIANA'S BEST

Three young men, among the few of the state who will judge livestock at the Indiana State Fair, are those pictured above.

Tim Ruark, Willard Abbott and Estle Cantonwine (left to right) are the members of Putnam county's livestock judging team which recently won the right to represent the Terre Haute district at the Hoosier Fair in state-wide judging competition.

The district judging contest, held in Putnam county, drew representatives from eight other counties, all of whom vied for the post as dis-

trict representative at the State Fair this September.

Collecting a total of 946 points, the county team, coached by Gene Akers, GreenCastle high school vocational-agricultural instructor, ranked among the highest scorers in district competitions in all sections of the state, officials remarked at the close of the local contest.

In individual scoring Willard Abbott ran up the second highest score of the entire contest when he totaled 332 points, while his other two teammates closely followed with a

LATEST SHAKE-UP INCREASES
DARIAN'S POWER IN
FRENCH CABINET

VICHY, France, Aug. 13.—(UP)—France's latest cabinet shake-up, increasing the powers of Vice Premier Admiral Jean Darian, was described by informants today as merely a technical move to synchronize defenses.

The impression that Darian had been placed in supreme command of the colonial armies of Gen. Maxime Weygand in Africa, in addition to the admiralty, fleet and air force, was said by these informants to be erroneous, and the angry tone of pro-German Paris press over the fact that Pierre Laval was given no official indication that the shake-up had failed to entirely win favor with Germany.

The shake-up was accompanied by a half hour radio speech to the empire by Petain, in which he said that the temporary bonds established with Germany and Italy by the armistice conventions would be stabilized as soon as possible.

He expressed grave concern over the recent trend of public opinion, charging that "the authority of my government is doubted; orders are often badly executed." He said British and Free French propaganda were partly to blame, and he announced a series of decrees suppressing all activities of political parties, relegating free masons to the status of Jews, banning them from public functions and dissolving their lodges, and creating commissions to "break obstacles created by clandestine opposition."

Vacation Cruise Mystery Deepens

NO WORD FROM PRESIDENT
FOR THREE DAYS; DUE
BACK THIS WEEK

WASHINGTON, Aug. 13.—(UP)—President Roosevelt is expected to land somewhere on the northeast coast in a day or two and then he may dispel the great mystery surrounding his vacation cruise—whether he held an epic conference with British Prime Minister Winston Churchill.

Since he embarked on the cruise in the north Atlantic Aug. 3, only cryptic messages have come from the yacht Potomac, and there haven't even been any of those since Saturday.

Washington, London and other world capitals meanwhile have boiled with rumors that Churchill and Roosevelt, and perhaps others, were meeting at sea or at some isolated north Atlantic point.

When and where the President will disembark—like everything else about the cruise—was a mystery. But on the basis of plans announced at the outset of the cruise, he is due to come ashore very soon now.

BERLIN ADMITS BOMBINGS

Night Attack Followed One Of
Heaviest Daylight Attacks
Of War Yesterday

LONDON, Aug. 13.—(UP)—Giant British bombing planes attacked Berlin heavily during the night and hurled bombs at other targets all over northern and western Germany after the greatest Royal Air Force daylight raids of the war yesterday.

It was Britain's turn in a rapidly developing and apparently closely coordinated bombing offensive against the German capital.

Russian planes had raided Berlin four nights out of five since late last week. Last night, the sixth, a big fleet of British bombers flew the 500-odd miles from British bases over German-occupied and German territory to give Berlin a taste of what the Germans had visited on British, Russian and other European cities.

(Berlin dispatches indicated that the British night raid was one of the greatest of the war. A communique said western, central and northern Germany were attacked.)

BERLIN, Aug. 13.—(UP)—Attention of Berliners, awaiting detailed news of operations on the eastern front, shifted sharply today to British Royal Air Force blows against Germany and German occupied territory, especially Berlin, which experienced during the night its fifth raid in six days.

The latest raid—as a communique indirectly admitted—was the most active of the recent series, with the British taking over a new aerial offensive from the Russians who made the first four raids.

The communique was brief. It did not mention damage but admitted casualties. It gave no details of the raids on western, central and northern Germany.

In contrast with the first four raids, anti-aircraft guns and searchlights were most active and color was added by the flares which the British planes dropped.

THOMAS RITES TO BE HELD THURSDAY MORNING

Funeral services for Aaron Thomas, who died Monday evening at the home of his daughter, Mrs. Ola Ellis, west Walnut street, will be held Thursday morning at 10 o'clock from the Rector Funeral Home. The Rev. C. L. Airhart of New Market will officiate. Burial will be in Forest Hill cemetery.

HOFFMAN RITES HELD

Funeral services for Lawrence Hoffman, who died Monday evening at his home northeast of GreenCastle, were held Wednesday afternoon from the Shannon Funeral Home. The Rev. H. C. Fellers of the First Christian church officiated. Interment was in Forest Hill cemetery. Pall bearers were Jesse Young, Raymond Riley, Eddie Buis, William Miller, Thomas Miller, Kenneth Briggs, William Kocher and William Werneke.

4-H JUDGING STARTED

(Continued from Page One)
Martha Wamsley, Warren.
Third Year—White ribbon, Margaret Reed, Cloverdale.
Fourth Year—Red ribbon, Anna Leile Kessinger, Franklin.

Judging of the largest entry list of 4-H clothing exhibits in the history of Putnam county 4-H fairs was underway at press time today with the winners of the first year clothing division named late this morning.

Some forty-five county girls entered self-made clothing in the first year class to outnumber any of the other entry lists in second, third, fourth and fifth year groups.

Arranged on hangers by Miss Wilma Jean Chambers, Greencastle high school vocational home economics instructor, the dresses, aprons, smocks and other forms of women's wearing apparel lined the large recreation room in the basement of Second Ward.

The winners of the first year clothing are as follows:

1st, Josephine Tzouankis, Greencastle; 2nd, Norma Jean Ellis, Madison; 3rd, Doris Sinclair, Cloverdale; 4th, Betty Young, Monroe; 5th, Marilyn Brattain, Russell; 6th, Joan Torr, Greencastle; 7th, Joan Foley, Greencastle; 8th, Betty Ann Baker, Greencastle; 9th, Clema Jean Shonkwiler, Madison; 10th, Beverly Trembly, Greencastle.

The winners of the other four years in 4-H clothing contests will be announced in tomorrow's issue of The Daily Banner.

Judging the clothing was Miss Norma Buchanan, Terre Haute clothing teacher at Woodrow Wilson high school.

Mrs. Calvin Perdue of Acton, and a farmer's institute speaker of Purdue University judged baking, food preparation, canning and room improvement.

FROM THE BANNER FILES
That Other German-Franco War (1870)

The news of the capture of Napoleon and the army of McMahon produced the greatest excitement among our German citizens. Sunday night they assembled at the German church to return thanks for the victory. The services were opened by William Fussler, who read Scriptures and gave prayer. Aug. Werneke was called to the chair and Prof. Boissac made a patriotic speech which aroused the enthusiasm of the audience to the highest pitch. The meeting was concluded by the singing of the Mannerchor. On Monday evening, the Germans and their American friends assembled on the public square. There was the blazing of bonfires and the firing of blacksmith's artillery, the waving of Prussian and American flags and music by the brass band, and the people were addressed by Gus Werneke, Mayor Brown, Dr. Blakley and William Fussler, after which the crowd marched to the brewery where they were regaled by copious draughts of lager. The German business houses were illuminated.

Jeanette Sutherland Bride
Of Henry Toney

The marriage of Miss Jeanette Sutherland and Henry Toney took place Sunday afternoon at 2 o'clock at the home of the bride's parents, Mr. and Mrs. Earl Sutherland, east of Groveland, with the Rev. O. F. McMullen reading the single ring ceremony.

A white lattice entwined with green vines and flanked by four large baskets of Picardy gladiolus and baby's breath formed the setting for the rites.

Preceding the ceremony, as the guests were ushered into the living room, Miss Frances O'Hair played a short program of bridal music and Miss Francis Sutherland, sister of the bride sang "I Love You Truly" immediately preceding the wedding march.

The bride entered the room on the arm of her father and was given in marriage by him. She wore her mother's wedding gown of heavily embroidered ivory silk. Her veil was finger tip length arranged with a coronet of Joanna Hill rose buds. She carried a colonial bouquet of Joanna Hill roses.

Miss Mildred Sutherland was her sister's only attendant. She was attired in a gown of blue marquisette and carried a colonial bouquet of pink roses.

Frank Toney of Springfield, Ill., was his brother's best man.

Following the ceremony of reception was held for the fifty guests at which time the bride and groom cut the beautiful large wedding cake which formed the centerpiece of the

BOSTON'S REPORTS

(Continued from Page One)
The net worth of the school is \$4,840; The Park County is assessed on \$5,720 among Clinton, Franklin, Greencastle, Madison, Monroe and townships.

A consistent program of maintenance and repair has been in the local schools over the years. One of the much needed improvements that has just been completed has been the new concrete walk from the front entrance of the old Ridpath building. The old building which was almost of Civil War age had become so rough and hazardous, particularly the steps at the beginning of the street side.

Other improvement projects completed during the past few years been the re-wiring of the Emma Jones and Martha buildings, the complete redecoration and installation of indirect lighting in the high school building. During the school's library summer, the repair or new practically all school building decoration and equipment in high school auditorium, the relocation of several storerooms, the renovation of the high school band, and many other projects of betterment.

Miss Overhiser will fill the vacancy created when Mrs. Melba Shuck Hanlon, of Greencastle, accepted a post in the office of the Putnam County Farm Bureau Co-Op Association.

Greencastle schools with the class of 1938, served as secretary in the principal's office for almost three years. A graduate of Greencastle high school in 1941, Miss Overhiser, Mr. Bishop stated, has a fine record as a student in local schools. She attended Central Business college in Indianapolis this summer.

LEAF BEETLES

Leaf beetles with their fourteen dark dots on their hard little shells

have more than decimated the pole lima bean crop in the garden at the Fred Pease home, east Anderson street, and his potato yield is spindling from the dryness of the weather, but Mr. Pease has his big sunflower stalks to point to with pride. And they are worth it. He stood alongside one of them and his 5 feet 10 inches didn't reach half way to the top of the enormous plant. There is another one lacking but a few inches of being as tall, and they, together, dominate the back end of his garden with their lordly growth.

Each one of the two has one fine, big blossom growing at its tip. Their stems are thick and stout, and their leaves are long and wide. They are not a chance growth, but were planted and cultivated by Mr. Pease. Growing between these two tall ones are two others which, for some unexplainable reason, elected to become twisted, deformed plants, thick o stem but with their growth withering out over the ground instead of ascending.

TURKS RECEIVE JOINT BRITISH-RUSSIAN NOTE

ANKARA, Turkey, Aug. 13.—(UP)—The joint British-Russian notes guaranteeing Turkey's independence were received cordially by Turkish officials and will have an important effect on the attitude of the Turkish press, observers said today.

The notes were handed to foreign minister Sukru Saracoglu Sunday by British ambassador Sir Hugh M. Knatchbull-Hugessen and Soviet ambassador Sergei Vinogradov. The fact that each note contained pledges supporting the other government's assurances was taken here to mean that each government would see that the other carried out its obligations.

The cabinet discussed the notes yesterday afternoon.

LIVESTOCK TEAM

(Continued from Page One)

311 (Ruark) and a 303 (Cantor wine).

Last year, according to David L. Grimes, county agricultural agent and chairman of district judging, a dairy judging team won the right to go to the state meet, however, one member of the team was found ineligible due to age restrictions. But, this year's team members are "flawless" as far as rules and regulations are concerned and are expected to go far in the state meet.

If the Greencastle livestock judging threesome places, individually or as a group, university scholarships, judging trips to the International livestock exposition or to the American Royal livestock exposition will be awarded the boys, and Putnam county is backing the team 100-percent strong.

Zinc Mill Wins 1st Game Of Regional

Zinc Mill, winners of the local sectional ball tourney, tripped Firpo's of Bedford in the first tussle of the state regional softball tourney, 5 to 4, at Bloomington last night.

Firpo's winner of the Michell sectional, turned in a good performance, but the locals outplayed the losers in all phases of the tilt. The Millers took an early lead and worked smoothly in the field, committing only one error, to hold the Firpo squad to four runs. The game went seven innings and at one time the Millers held a three run lead.

Rosok and O. Campbell worked on the mound and behind the plate for Zinc Mill.

Summary: R H E
Zinc Mill 5 10 1
Firpo's 4 5 1

In the second tilt of the regional, Shower Brothers Furniture Co. of Bloomington defeated Millersburg, winner of the Paoli sectional, 1 to 0. Shower Bros. pitcher took the spotlight by striking out twenty men and allowing no hits. Shower Bros. got two hits. The pitcher for Shower Bros. had a lightning ball that scared the batters more than anything else.

Thursday night at 9:00 o'clock Zinc Mill is scheduled to meet Brazil. If the locals emerge victorious over the Brazil squad, and it is believed that they will, the Millers meet the Shower Bros. ten and its whirlwind pitcher. Greencastle ball fans say that the Zinc Mill lads can hit the Shower moundman.

The American Zinc Products Co. will furnish a truck with seats for all those who wish to see the Zinc Mill team play Brazil Thursday evening in Bloomington. No charge will be made on the round trip to Bloomington, it was said, and it is hoped that the truck will be packed with Zinc Mill fans. The truck will leave the First Citizens Bank and Trust Company, on the downtown square, at 6:30 o'clock Thursday evening.

GOLFERS TO CONTACT PRO FOR BRAZIL MATCH

Local golfers who plan to play in the Greencastle-Brazil golf meet set for Sunday afternoon, August 17, at 2:30 o'clock on the Forest Park course are asked to contact Harold Quebbeman at the city golf course as soon as possible.

It is hoped that at least twenty local linksmen will go to Brazil this Sunday for the second meet of the season. The Brazil players visited the Greencastle Eastgate course about two weeks ago and met a 32-22 defeat when the Greencastle golfers won the majority of the twosomes on the Nassau point system basis.

Greencastle has defeated Brazil in three consecutive matches.

DRUB CRAWFORDSVILLE

The Greencastle junior softball ten drubbed Crawfordsville in a return engagement Tuesday at Crawfordsville, 7 to 2.

Last week the locals on the Robe-

Ann diamond handed the visitors a 7-5 defeat and yesterday they proved that the first tussle wasn't a fluke. Greencastle chalked up nine hits, seven runs and one error, while the Crawfordsville crew collected two hits, two runs and three errors.

Felix Knauer, local slugger, hit solidly for a homer and carried two men around with him for three runs and Art Zaring added zest to the local's batting power with a triple. Singles for the locals were chalked up by Lemnick (2), Goldsberry, Giddings, and Goodman.

Batteries: Felix Knauer and Bob Turner.

Greencastle's troop of players consisted of the following: R. Lemnick, R. Foster, G. Goldsberry, P. Giddings, R. Turner, J. Downey, D. Goodman, J. Long, A. Zaring, F. Knauer, J. Black, J. Hirt and M. Goodman.

BRANT SHOOTS 77, STEVENS TAKES 85 IN STATE OPEN

With the first round of the Indiana State Open golf tourney completed, Greencastle's two representatives, Bob Stevens and Fred Brant started on their second eighteen-hole round this morning.

In yesterday's scoring Brant crashed through with a 77, while Stevens pulled down an eighty-five after he failed to hit his usual driving and approach strides. Both are expected to lower their scores in today's shooting in an endeavor to get in the same brackets with Bill Heinelein, Noblesville pro, who shot a 69 yesterday to break par by a margin of two strokes.

Tomorrow the final drive of the meet will be staged, when the scores of golfers make two complete circuits of the Speedway course.

TWO LOCAL TEAMS WIN AT CRAWFORDSVILLE

The Greencastle All-Stars, comprised of players from various county teams, tripped the strong Mid-State Steel softball team at Crawfordsville last night in an extra inning ball game, 8 to 5.

The Mid-State squad, winners of the Crawfordsville sectional tourney, managed to tie the score in the seventh after the locals had led all the way, at five-all. But the All-Stars crashed through with three runs in the eighth to clinch the game.

Carmichael and T. Grimes formed the battery for the locals. The Greencastle boys collected seven hits and committed one error, while Mid-State got five hits and errored five times.

Putnamville's powerful ball club eased over New Ross in a close game last night in Crawfordsville, 4 to 3.

The New Ross Lumber Co. ten, recognized as one of the strongest in the Montgomery county section, failed to evade the Putnamville fielding grip and found that an attempt to overcome the one point margin was futile.

Scobee and Carrington worked for the Putters.

The four teams plan to stage return games on the Robe-Arm diamond some time before the close of the season.

Reds Claim Rout Of German Force

**PICKED NAZI TROOPS HURLED
BACK ACCORDING TO MOS-
COW REPORT**

MOSCOW, Aug. 13.—(UP)—Red army men have routed a division of Adolf Hitler's picked "SS" shock troops and completely smashed the 68th German infantry division in a five day battle in a key sector of the eastern front, a war communique asserted today.

The "SS" division, supported by two regiments of the German Viking infantry division, was driven back in disorder and the 68th, which came to the rescue, was wiped out, it was said.

Dispatches from the front indicated that the battle was one of the most ferocious of the war. Remnants of the German troops counter-attacked in close formation in hope of retrieving their position in the final phase, dispatches said, only to be cut down by Russian fire.

LONDON, Aug. 13.—(UP)—A Russian war communique asserted today that the whole of Rumania had been cut off from railroad communication to the sea and that the main Rumanian oil pipe line to the sea-coast had been severed by Russia's destruction of a bridge across the Danube at Cerna Voda, 90 miles east of Bucharest.

The Rumanian railroad to the sea crossed the bridge, as did the pipe line.

Sixty Russian planes attacked the bridge, the communique said, and dropped heavy bombs on it. There was a series of tremendous explosions, it was asserted, and one of the

THOSE LITTLE TOUCHES

Haven't you often noticed how some women can take a rather ordinary-looking dress that no one would notice and perk it up into something really smart by the addition of a dashing bow or a wisp of lace or a gay belt? Well, you can do the same with the food you prepare. No... I'm not thinking of the frills of parsley or lettuce... or crisp green watercress. I'm thinking of the clever little additions to the seasoning of vegetables, meats and other foods that lift them way above the commonplace... giving them real character and even elegance.

- Here are a few such flavor touches...
- A dash of nutmeg and a few drops of onion juice added to the cream sauce for spinach.
- A teaspoon of mustard added to the 2 cups of medium white sauce used in making au gratin potatoes.
- A sprinkling of mace over green beans... in addition to the usual salt, pepper and butter.
- A bit of cinnamon added to beets in addition to the usual salt, pepper and butter.
- A pinch of sugar added... in addition to salt... to the water in which green peas and carrots are cooked.
- A little butter dotted over the top of the sugared berries for a fresh berry pie makes the pie taste just that much more delicious.
- Nutmeg or cinnamon added to the fruit for apple or rhubarb pies.
- A drop or two of almond extract adds a marvelous and exotic flavor to cherry or peach pies.
- A drop of peppermint flavoring added to the whipped cream that you spread over the top of a chocolate cream pie or a chocolate chiffon pie.
- A few grains of salt added to icings or candies such as fudge to counteract the excessive sweetness.
- The cut surface of a garlic bud rubbed over beef steak before broiling, brings out the best there is in the steak.
- Letting roasted meats stand 15 to 20 minutes before serving improves their flavor.
- Bits of garlic inserted in slits in a lamb roast before roasting add distinction to the flavor.
- Curry powder sprinkled over pork chops while they are cooking gives them a new deliciousness.
- A tuna salad is something to be remembered when the tuna is combined with chopped pickles and hard cooked eggs all held together with horseradish-flavored mayonnaise.
- Save any peach pickle juice and bake your ham in it... or use it for basting a ham loaf. Pineapple juice and various other fruit juices such as grape juice or cider can be used in the same way.
- Current jelly with chopped mint leaves whipped into it, makes a colorful and delicious accompaniment for roast lamb.

few moments earlier.

The galleries were more crowded than they have been since the momentous debate on the lend-lease bill. Spectators, including a large number of men in service uniforms, heard administration leaders warn that the crisis in United States diplomatic relations with the French Vichy government and Japan emphasized the need for retaining the troops.

"Time has passed," Majority Leader John W. McCormack, D., Mass., warned. "Our enemies have moved. We know that Japan is moving and that Vichy is falling into German hands."

The 182 Democrats who voted for passage were joined by 21 Republicans. Opposed were 133 Republicans, 65 Democrats, and four American labor party members.

House modifications of the legislation included a provision requiring the Secretary of War to discharge draftees for whom continued service would create a hardship, unless their dismissal would adversely affect national defense. The Senate resolution made the discharge discretionary.

The House also added a provision which would permit draftees to deduct the 18 months extended service from their 10-year terms as army reserves. Another amendment would revise the national guard act to pro-

vide for retention of those troops under the resolution.

Last-minute Republican efforts to obtain reconsideration of the vote by which the House passed the legislation were overruled by Rayburn. The speaker was forced to pound his gavel repeatedly for order when Republicans shouted from the floor that his ruling was not valid. He was upheld by the parliamentarian, however.

Chairman Andrew J. May, D., Ky.,

of the House Military Affairs Committee, who had managed the legislation, made the House action conclusive when he made the routine motion that the House resolution be substituted for the body of the Senate legislation. Republicans demanded a roll call, but reconsidered their action and accepted defeat.

OBITUARY

When the final summons there are none who can call.

The summons came to Williams Saturday, August 10, age 72 years, 11 months and days.

Born in Morgan county, September the 29th, 1868, son of Oliver and Nancy Williams. He spent his early life at home and in 1901 he was married to Blankinship. To this union were born two children, Mary and John William, both having her in death.

October 19th, 1916 she was married to George Williams. The happy union as they walked the years hand in hand, and other's joys and sadnesses was called away.

She was of the unassuming, willing to content herself with duties of home and life. At 17 she accepted Christ and was united with the Church at Cloverdale. It can be said a good woman, a loving and good neighbor.

Left to mourn her loss are her band; two sisters, Mrs. C. Ager of Cloverdale and Mrs. Ferrand, Putnamville; two sons, John L. Lewis, Ohio, and Lewis, Cloverdale, and a number of relatives and friends.
